## PROFESSIONAL SUMMARY

Computer Engineer | Software Developer & DevOps Enthusiast skilled in Java, Python, C, MySQL, Git/GitHub, Linux, Docker, Kubernetes, and CI/CD. Experienced with projects like TrustChain (Blockchain Voting System) and an E-commerce Fraud Detection System. Internship exposure in Front-End Development and Cybersecurity. Currently focusing on DevOps/SRE, building projects that automate deployments and improve system reliability.

## TECHNICAL SKILLS

- DevOps & Tools: Docker, Docker Compose, WSL2, Bash/Shell scripting, Git, GitHub, GitHub Actions (basics), Linux/Ubuntu, npm, Node.js, Ganache
- Frontend: HTML, CSS
- Programming: Java, C, Python;
- Security & Networking: Cybersecurity basics, Computer Networks
- Operating Systems: Windows, Linux/Ubuntu, macOS
- Data/Analytics: NumPy, Pandas, Seaborn
- Databases: MySQL; MongoDB

## PROJECTS

- [Title: - Trustchain: Blockchain based voting system.](#)  
Description: - Used: NodeJS, Solidity, Ganache, MongoDB  
-Developed a full stack decentralised voting platform using Ethereum smart contracts, written in solidity.  
-Used special conditions in smart contracts and created users for specific use of the platform.  
-Maintained a database of voters, candidates, and elections.
- [Title: - Online Modelling of Proactive Moderation System for Fraud Detection.](#)  
Duration: - 6 to 8 months.  
Description: - proactive fraud-detection moderation systems are commonly applied in practice to detect and prevent such illegal and fraud activities at e-commerce websites.

## EXPERIENCE

- **Front-End Development at,** June 2020 – August 2020  
Sumago Infotech PVT limited, Mumbai Naka, Govind Nagar, Nashik.  
Learn Basic of HTML, CSS, PHP, MySQL & Bootstrap.
- **Cyber Security Internship Program.** July 2022 – October 2022  
Cyber Sakshar, 7, College Rd, near Magnum Hospital, Canada Corner, Nashik.  
Done the Cyber Security Internship Program, Learn about Threat, Viruses, Phishing, online scam & small Intro about Dark web.

## EDUCATION

**Gokhale Education Society's R.H. Spat Collage of Engineering, Nashik, India** June 2025  
Bachelor of Engineering, Computer Science  
Overall CGPA: - 7.02 / 10 – First Class

**Loknete Gopinathji Munde Institute of Engineering Education & Research, Nashik, India** August 2021  
Diploma in Computer Engineering  
Marks Obtained 87.20%
